

2011

HOUSING TAX CREDIT / MULTIFAMILY RFP

SELECTION POINTS FOR PROJECT LOCATION

This table identifies counties with the highest need for housing due to either job or household population growth. In addition, Minnesota Housing will also review the Market Qualification Information Form (HTC Form 32) and Market Study to assess the need for the housing proposed.

Top 10 Counties in either job growth or household population growth from the most current 10 years of data available from the U.S. Census Bureau, Minnesota State Demographic Center and the Minnesota Department of Employment and Economic Development (Quarterly Census of Employment and Wages).

10 Selection Points
